Winter Bird Feeder

In winter it is harder for the birds to find food.
You can help them by making a bird feeder.

You will need:

- a slice of stale bread
- pencil
- butter knife
- peanut butter (or lard)
- bird seed
- string

The instructions have been mixed up.

Tie a knot to make a loop.

Press bird seed into both sides.

Spread peanut butter on both sides of the bread.

Make a pencil-hole near the top of the bread.

Hang your bird feeder outside.

Thread some string through the hole.

Write them neatly in the correct order.

1. Make a pencil-hole near the top of the bread.

2. Spread _____

3. Press _____

4. Thread _____

5. Tie _____

6. Hang _____

Now you can make your own bird feeder.
