

We have had an exciting time at St John's in recent weeks, starting with receiving the Flame of Friendship torch for the Olympics from children at Allesley Hall Primary. We loved admiring the torch and keeping it safe at school for the day, before a team of Year 6 children delivered it to its next destination at Park Hill Primary. We also had some very exciting trips, with Reception visiting Hatton Country World, Year 1 exploring Birmingham Botanical Gardens and Year 2 enjoying a day at the beach at Weston Super Mare. Children loved learning outside of the classroom and huge thanks go to our staff for planning, organising and taking the classes out of school with the support of very kind volunteers. The KS2 choir shone at their show 'Trailblazers' at Central Methodist Hall last week and were exceptional ambassadors for our school as usual. Friday was a superb morning with our annual Sports Day and family picnic and it was lovely to see so much joy and teamwork. Finally, our Summer Fair on Saturday was outstanding and made even better by the sunshine. Thank you for supporting this event and a massive thank you to the PA for organising it from start to finish, and everyone who volunteered to run a stall, set up the event and stay at the end to clear up. You are all amazing and we are incredibly grateful.

Congratulations to our Reading, Maths and Star of the Week winners this week!
