

During worship this week we listened to a reading from 1 THESSALONIANS 5:15-18: *“Make sure that nobody pays back wrong for wrong, but always strive to do what is good for each other and for everyone else. Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.”* We reflected on the idea of thankfulness and shared ideas about what we are thankful for. Children had so many beautiful responses about being thankful for family, friends, a warm place to live and enough food to eat. Children were also thankful that they could have an education and were aware that not everyone in the world is as fortunate. It was a pleasure to hear such kind and caring responses and I have had children throughout the week tell me lots of other things they value and appreciate. We also considered the things that make each of us unique and special and how we can use our gifts to shine our light in the world and do great things.

Congratulations to our Presentation, Writing and Star of the Week winners this week!
