

Well done this week to everyone at St John's for all your hard work and for shining brightly with our school values. There is always a buzz of learning in classrooms and I am always so impressed with the standards and attention to detail in children's books. Our teachers and support staff work incredibly hard to inspire their classes – thank you. Our wishes of good luck go to Year 6 next week as they embark on their end of primary statutory assessments (SATs). They have worked incredibly hard over this year to ensure they are fully prepared and we have been so impressed with the progress they have made. We know that every child will do their best and that is all we can ask of them. Remember children, that SATs are only a measure of your reading, maths and grammar on that one week. They cannot measure your kindness, your sense of humour, your skills as an artist, a dancer, a sports person, a scientist or a musician. You are all unique and talented in your own individual ways, so please remember how special you really are! Good luck to you all next week – you will be amazing!

**Congratulations to our Maths, Presentation and Star of the Week award winners this week!**

Congratulations to Lucy, Elliott, Joel, Alba, Jack, Austin, Archie, Jack, Evie, Tabitha, Miriam, Joshua, Jessica, Amelia, Elijah, Delilah, Sebastian, Caleb, Charlie, Zayne, Olivia, Mary, Karmen, Elias, Emmy and Harper. We are very proud of you!
