## I Will Shine

Issue 32:  
Friday 30<sup>th</sup>  
June  
2023

Dear Families and Children,

Lots of our classes have been working incredibly hard this week on some end of year tests and the progress we have seen the children make is excellent. I had the privilege of sharing some of the RE books with other schools in our Trust this week and it made me very proud to see the care and attention that is shown in the learning. There is always a hive of activity in classrooms, with all our teachers working tirelessly to provide engaging, challenging and exciting learning and I would like to say a big thank you to all the staff at St John's who show such care and nurture to all children. Thank you also to you: the parents and carers who work with us so closely to help the children through all aspects of primary education. Your understanding and support means so much to all of us. We have lots of exciting things to do over the last few weeks of the summer term; trips, learning inside and outside the classroom, sports day, Summer Bash and leavers' events for Year 6 to name a few. Let's hope the weather is kind to us!
