Dear Families and Children,

We are getting near to the end of the year but we have lots of things to look forward to over the next four weeks and two days. Children will be starting to spend time with their new teachers and in their new classroom so that they feel confident and ready to start school again in September. Our new Reception children will be making some visits to St John's and I know we are all looking forward to welcoming new families and lots of younger siblings. Staffing information will be coming out to you next week and children will have their first short transition activity on Friday 30th June to get them ready for transition day on 10th July.

Message from Caterlink

As your catering provider we value feedback from all stakeholders to help us improve the service we provide to you and your pupils. This term we are completing a Parent/Guardian survey on the meal provision we provide. The survey will close on 21st July and we will provide an update to schools which have taken part in the autumn term. <https://www.surveymonkey.co.uk/r/M67CD59>
