Dear Families and Children,

We have lots of super things coming up to look forward to in the summer term at St John's! Firstly, we all wish Year 6 the very best of luck with their SATs tests starting on Tuesday 9th May. You have all worked very hard to prepare and we want you to feel confident and just be ready to do the best you can. Try and have a good night's sleep each night and remember to come in and join your friends at breakfast club to have a positive and relaxed start to each day. We're very proud of you all.

We have Aspirations Day to look forward to on 22nd May and thank you for the offers of help. We do still have space for more people to talk about their job or vocation so please get in touch if you're interested or you know someone who could give some of their time to inspire our children.

Next week, we have been given the opportunity to be the Star School on BBC Radio Coventry and Warwickshire. Please listen in each morning to hear from some of the children tell the listeners about life at St John's. We're very excited to have this opportunity!

Governor Recruitment – deadline for applications is 22nd May 2023

St John's CofE Academy has vacancies for both a Parent and a Community Governor. Please direct all enquiries and requests for application forms in the first instance to Alex Rigler, Clerk to Governors via alex.rigler@covmat.org

Aspirations Day

Thank you so much to the people who have offered their time to come and speak to the children about their job or vocation. We still have plenty of space for more and we can help to plan the session if you are unsure of how to present to a group of children. Please share the link to this survey with anyone you think could offer some inspiration to St John's pupils. [Survey link](#) You could come in for the day, half the day or just for one of the hour time slots – we would love to offer the children a wide range of people to hear from. They will have a lot of questions if you are concerned about having enough to share!
