

## Message from Mrs Stevenson

At the end of another fantastic week of learning, fun and friendship, I thank everyone in the school community for your continued kindness and support. Children, you have been amazing! Huge congratulations must go to all the children in Year 6 who received their SATs results this week and you should feel incredibly proud of how much you have all achieved. All the staff at St John's are so proud of you; you truly have shown drive and character in preparing for your SATs exams and your hard work has certainly paid off.

As if that wasn't enough excitement in one week, Wednesday was our transition day, when all the children spent the day in their new classrooms with their new teachers. I know that moving to a new class is a big mixture of excitement and nerves so please don't worry, it is completely normal and everyone will be there to support you when we come back after the summer. Year 6, we hope you will come back to visit us and tell us all about your secondary school experiences.

Over recent weeks, children in Year 1, Year 2 and Year 4 have also completed their assessments and again, we are all so proud of you. Whether it was phonics, multiplication, reading, writing, maths or grammar, you have worked so hard and your positivity is outstanding to see. All year groups have worked so hard and you all shine so brightly in so many different ways.

Thank you for the feedback I have started to receive through the QR code I shared last week. All your views are very important and will help us to develop St John's even further next year. I will be doing some work with the children before the holiday to find out what they would like to see too. This is the QR code for you: 

Our Worship reading on Monday came from Luke's Gospel, where he spoke about Jesus sending his disciples to the places he was to visit. Jesus said that their names were written in heaven and that they had the power to do great things. We all thought about what Jesus meant by that and then about how we can do incredible things in Jesus' name in our lives. There were lots of suggestions from the children about being kind to others, offering help to those in need and using our God-given talents wisely. On Wednesday, we shared a story together about how our hearts can feel so many different things and how all feelings are valuable. We also discovered that we can feel lots of different things in our hearts at the same time and that it is normal to feel a bit mixed up sometimes. Talking to a trusted adult, sharing a laugh with a friend, finding a hug and exploring nature were all ideas to help us to feel better.

As always, if you need any support, advice or just a friendly ear, we are always here for you. We are here to teach and nurture your children but we are also here for all of you. Please do reach out.

### I can shine!

Isaiah 60:1-3  
"Arise, Jerusalem! Let your light shine for all to see. For the glory of the Lord rises to shine on you. Darkness as black as night covers all the nations of the earth, but the glory of the Lord rises and appears over you. All nations will come to your light, mighty kings will come to see your radiance. Showing Stewardship means:

- Knowing that you shine in the classroom.
- Knowing that you shine outside the classroom.
- Knowing that you shine when you make good choices.
- And when you make things right for not making a good choice.

### Additional Notes For Parents :

Following Local Authority guidance, the one-way flow (from the KS1 gate to the KS2 gate) around the school will remain at the start and end of the day, we will be adjusting the start and end times for all children. The gate will be open from 8:45-8:55am. We are asking for all children to arrive between these times. This 10 minute slot will help alleviate congestion and will ensure adequate flow around the site.

At the end of the day, we are reducing pick-up times to 2 slots. See below for when your child must be collected. Siblings may be collected at the earliest slot for your family in line with current guidelines.

Pick-up times	
3:20pm	3:30pm

### Safer Parking at the School Gates

These changes make a real difference to the congestion around our schools, making the school run less stressful and safer for everyone.

What can you do to help keep everyone safe around the school gates?

Please don't:

- ⇒ Block the road - emergency vehicles and other traffic may need access
- ⇒ Park on yellow lines, zig-zags or block the school entrance
- ⇒ Park on the pavement, across dropped kerbs or residents' driveways
- ⇒ Park opposite or within 10 metres of a junction
- ⇒ Park where you will cause inconvenience to other road users
- ⇒ Leave your vehicle with the engine still running
- ⇒ Stop in the middle of the road to drop your child off, even for a few seconds.

#### **IMPORTANT REMINDER**

Parents are not permitted to park in the Staff Car park when picking up/dropping off for EWE club, School Events e.g. Assemblies or at any other times.

# Internet Safety Resources

One of the best things you can do to keep your children safe online is to set some House Rules to set boundaries and expectations as early as possible. Here are a few you could use:

1. Limit time on the internet and stick to it! **Consistency is key!**
2. **Talk** about what they do online and what apps they go on. Check it out!
3. Take phone and all devices away at night/when you are away for long periods.
4. Seek **permission** from you before downloading any apps.
5. Regular **monitoring** - check search history, apps, talk history everyday or at least twice a week.
6. Accounts are private and location turned off.
7. Remember that all actions have **consequences** – even online.

House Rules

If your child is a victim of being groomed or exploited online, there are a number of ways you can report it...
