

EYFS Statutory Educational Programme

The curriculum needs to include:

The development of children's **artistic and cultural awareness** supports their **imagination and creativity**. It is important that children have **regular opportunities to engage** with the arts, enabling them to **explore and play with a wide range of media and materials**.

The quality and variety of what children see, hear and participate in is crucial for **developing** their **understanding, self-expression, vocabulary and ability to communicate through the arts**. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe

Characteristics of Effective Learning that are relevant

Playing & Exploring	Active Learning	Creating and Thinking Critically
<ul style="list-style-type: none"> • Realise that their actions have an effect on the world, so they want to keep repeating them • Reach for and accept objects. Make choices and explore different resources and materials • Plan and think ahead about how they will explore or play with objects • Make independent choices • Do things independently that they have been previously taught • Bring their own interests and fascinations into early years settings. This helps them to develop their learning • Respond to new experiences that you bring to their attention 	<ul style="list-style-type: none"> • Use a range of strategies to reach a goal they have set themselves • Begin to correct their mistakes themselves • Keep on trying when things are difficult 	<ul style="list-style-type: none"> • Take part in simple pretend play • Sort materials • Review their progress as they try to achieve a goal • Check how well they are doing • Solve real problems • Use pretend play to think beyond the 'here and now' and to understand another perspective • Know more, so feel confident about coming up with their own ideas. Make more links between those ideas • Concentrate on achieving something that's important to them • They are increasingly able to control their attention and ignore distractions

ELG: Creating with Materials

Children at the expected level of development will:

- **Safely use and explore a variety of materials, tools, and techniques, experimenting with colour, design, texture, form, and function**
- **Share their creations, explaining the process they have used**
- **Make use of props and materials when role playing characters in narratives and stories**

ELG: Being Imaginative and Expressive

Children at the expected level of development will:

- **Invent, adapt, and recount narratives and stories with peers and their teachers**
- **Sing a range of well-known nursery rhymes and songs**
- **Perform songs, rhymes, poems, and stories with others, and – when appropriate – try to move in time with music**
