Headteacher Mr G. Watson

5th January 2021

Dear Parent and Carers

Re-opening plan

Following the government announcement late last night, primary schools will remain open to 'Key Worker' and 'vulnerable' children **only**. All other children will learn remotely from home. My staff have been working tirelessly throughout the day to get everything ready. I have been so proud of all of them; this has been a challenging time for them as well. Key worker parents have been contacted and places have been confirmed. Vulnerable children parents will be contacted tomorrow. The difficulty for me has been to ensure the safety of everybody on the school site by having as few children and staff in a possible. Thank you for your support with this process.

See below for an updated plan for this week.

Tuesday 5th January

- School closed to all children
- Children's school books and remote learning packs delivered to home by staff

Wednesday 6th January

- Key worker children return to school. Drop off and pick-up times are the same as normal.
- EWE club will be open for Key Worker children only
- School meals will be provided
- Remote learning for all other children starts (paper pack only)
- Parents of vulnerable children will be contacted during the day.

Thursday 7th January

- Remote learning for all other children starts on Seesaw

Friday 8th January

- Vulnerable children children return to school. Drop off and pick-up times are the same as normal.
- EWE club open

Many thanks for your continued support and understanding during this tricky time.

Stay safe!

Mr Watson
Headteacher
