

Maths skill to practice this week: **parts and wholes**.

- Here are some frogs.

- ▶ Can you see two groups of frogs?
- ▶ How many frogs are in each group?
- ▶ Complete the sentences.

_____ is a part.

_____ is a part.

The whole is _____

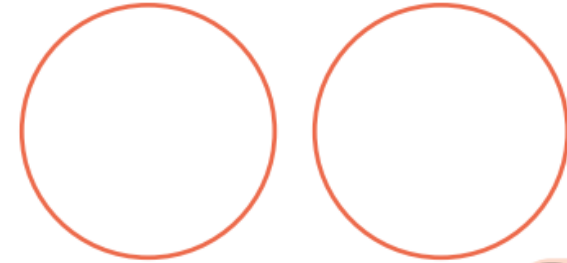

Here are five objects.

Put the objects into two groups.

Draw the groups.

Say out loud for your groups:

- _____ is a part.
- _____ is a part.
- The whole is _____

Is the whole always the same?

Compare answers with a partner.
