<p>Design and Technology Design a 3D globe using papier mache.</p> 	<p>Values Task Design a poster, write a fact file or create a PowerPoint presentation about a person who has shown 'Character' through being a great role model.</p> 	<p>Science Challenge yourself to a power free evening or morning for a couple of hours to save energy.</p> 
<p>Computing Find out about the lives of conservationists such as Prince William, Sir David Attenborough or Chris Packham.</p> 	<p>Maths Practise your 5 x tables! Can you think of a creative way to remember them?</p> 	<p>Art Draw or paint your favourite endangered animal.</p> 

Try to complete at least 3 challenges so that you make a vertical, horizontal or diagonal line, or any three that you like! Try to include the middle square if you can. Colour in each square as you complete that activity. To be completed no later than **Monday 16th March 2026** when we will celebrate and share all your projects. You are welcome to bring in your home learning earlier if you have completed it.

Enjoy and have fun!
