

Year 2 Curriculum Map

Saving the World

How can I make a positive difference?

Through our school values, the children will develop their understanding of changing environments-both in the UK and beyond- building on their knowledge and experiences from Year 1. They will consider reasons for these changes and reflect on the man-made impact. By making their own considered choices and by working as part of a team, they will realise that they can make a positive difference.

As part of Design and Technology, I will be learning about...

Cooking

- 1. Healthy and varied diets
- Where different fresh foods come from
- How to prepare dishes in different ways (mashing, grating, peeling and dicing)
- How to prepare food safely
- Evaluate your food

As part of Geography, I will be learning about...

- The location of hot and cold areas of the world
- The equator, North and South poles
- Some countries near to the equator
- Changing environments and some of the reasons for these (Plastic pollution)

As part of Art, I will be learning about...

Pop Art

- *What it is
- Who a famous Pop Artist is
- How is Pop Art created

Printing

- *What it is and how to transfer images from one place to another

As part of History, I will be learning about...

- Important people who have helped the world in the past
- David Attenborough, Prince William and Chris Packham:
 - Who they are
 - Why they are famous
 - Important achievements
 - How they have helped to save the planet

Discover, Captivate, Excite, Challenge and Flourish.

- Discover, Captivate and Excite: School clean up with litter pickers, adopt an endangered animal
- Challenge Day: Make own Kenyan Dish
- Flourish: Come and Share: David Attenborough

(Look out for the 'Come and Share' and 'Time to Shine' dates on the Newsletter)
