

In Reception this week...

Week beginning 16/6/25

We had a fabulous time at Hatton Farm. This was a brilliant end to the work we have been doing on farms. We thoroughly enjoyed seeing and feeding the animals, as well as going on a bumpy tractor ride! It was a hot day, but the children were very sensible and we are very proud of them all!

We have been learning the sounds [wh](#) and [ph](#) this week. Can you find any words with '[wh](#)' and '[ph](#)' in your reading book? Can you think of some words to write down? Watch the linked videos to find out.

Lunches - A reminder that grapes and cherry tomatoes MUST be cut in half. They can pose a serious choking hazard to young children and this is the advice we have been given on our latest first aid course. Also, please remember we are a nut free school and this includes Nutella. Thank you for your cooperation with this.

In Drawing Club this week, we looked at the story '[What the Ladybird Heard](#)'. We came up with some fantastic traps to catch Hefty Hugh and Lanky Len! In maths we have recapped doubles to 10 and we have explored repeating patterns. We have talked about a unit of repeat and had a go at making our own repeating patterns.
