

In Reception this week...

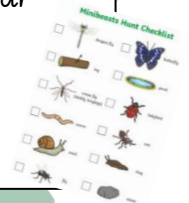

Week beginning 12/5/25

This week in Reception we have been looking at non-fiction books about mini beasts. We started the week by thinking of questions we wanted to find out the answers to. We have used non-fiction books to try and answer our questions.

We have been learning the sounds [ear](#) and [air](#) this week. Can you find any words with 'ear' and 'air' in your reading book? Can you think of some words to write down? Watch the linked videos to find out.

On Monday, we went on a bug hunt. We had great fun trying to find all the mini beasts on our bug hunt sheet.

In art, we looked at the collage work of Henri Matisse. We really liked his piece called 'The Snail'. We used different types of paper to create our own collage pieces.

We've enjoyed using the interactive whiteboard to draw mini beasts too!
