

In Reception this week...

Week beginning 15/12/25

It has been a very festive and creative week to end our Autumn term. We have enjoyed making Christmas cards and calendars. We've also been helping in the elf workshop with wrapping presents and writing tags and cards. We hope everyone has a wonderful Christmas break and thank you all for your support this term. Merry Christmas and see you in 2026!

This week we have read '[Stickman](#)' in our Drawing Club sessions. In the story, Stickman is used for a variety of different purposes. The children were asked to think of how they might use Stickman. We had lots of lovely ideas including being a running buddy!

The children were very excited that we have added the final two single sounds - **y** and **z**.

After the break, we will start to learn digraphs (two letters that make one sound). The children have all made fantastic progress with phonics during their first term in Reception!

On Thursday, we walked to church for the Christmas service led by Year 3. The children listened brilliantly and enjoyed joining in with the songs. At lunchtime, we enjoyed our Christmas dinner whilst listening to some festive tunes!
