

# In Reception this week...

Week beginning 29/9/25

On Thursday, we joined the rest of the school for the Harvest service at church, led by Year 6. Everyone was very impressed by how well Reception listened to the service. Mrs Whateley was very proud! We enjoyed joining in with the songs and we were sill singing them in the afternoon.

In Drawing Club, we read the book '[Super Duper You](#)'. We talked about how we are all unique and enjoy different things. The children drew some fantastic pictures. Our question this week - "What is your favourite thing to do?" We had lots of different answers!

We started phonics this week. The children have learnt the ['i'](#) and ['j'](#) sounds and we have practised writing them. Perhaps you could look out for these letters when you are out and about! See our [website](#) for more phonics (Phase 2) information to help support at home. [Phonics and reading information for Reception families October 2024](#).

In Maths, we have been thinking about how to count objects carefully. We learnt two important things about counting objects. Ask your child if they can remember them! We enjoyed using a drum to count sounds and we made counting wands.
