Tic Tac Toe: Termly Learning log

Year 4

Spring Term – Climate Change

<h3>Easter</h3> <p>Watch this short clip of the Easter story with a grown up in your home. https://www.youtube.com/watch?v=Hl_8RI58U_jp4 Talk with your grown up about the amazing things Jesus did and the sacrifice he made for us all. If you would like to write a reflection, prayer or write about the things you discussed, I would love to hear these.</p>	<h3>Science</h3> <p>Find out more about dental health and hygiene. We will look at this in Science and RHE. Create an informative poster, poem or song about the importance of brushing your teeth twice a day and how some foods can have negative impact on your teeth.</p> 	<h3>Story</h3> <p>Write a story about an animal in the polar ice caps OR an animal in the forests with lots of amazing writing features. Think about how you could link 'One Minute to Midnight' and climate change into your writing. Go wherever your imagination takes you!</p>
<h3>Design</h3> <p>Research a famous textile designer. Create an informative poster, leaflet or PowerPoint about them. It could be about a clothes, bag, purse, shoe designer or a TV / film costume designer.</p> 	<h3>Value – Character</h3> <p>Design a poster which shows the value of Character.</p> <ul style="list-style-type: none"> I can shine through my actions I can grow even if things are hard I can make a good choice I can follow positive role models I can treat others how I want to be treated I am becoming a better person 	<h3>Art</h3> <p>Practise your sketching skills. Look around your house or garden or create a still life scene to sketch. Then sketch it again to see if you can improve. Include all your attempts in your learning log book.</p> <p>https://www.youtube.com/watch?v=OezMavBqWXc</p>
<h3>Geography</h3> <p>Investigate an area of the world where there is climate change or pollution. Research what it was like before, and what it is like now. Present your findings in an interesting way.</p>	<h3>Charity</h3> <p>Research charities that support the environment or climate change. This can be a local or national charity. Create a poster or information leaflet about your chosen charity.</p>	<h3>Maths</h3> <p>Times tables – use Times Tables Rock Stars to practise your times tables. Improve your speed and your knowledge! Try to do the Sound Check every week to improve your score.</p> 

Try to complete at least 3 challenges so that you make a vertical, horizontal or diagonal line, or any three that you like! Try to include the middle square if you can. Colour in each square as you complete that activity. To be completed no later than **Monday 16th March 2026** when we will celebrate and share all your projects. You are welcome to bring in your home learning earlier if you have completed it.

Enjoy and have fun!

Year 4 Team – Mrs Henderson, Miss Reeve and Mr Kirby
