Tic Tac Toe: Termly Learning log

Year 6 Summer Term Topic: I Will Shine!

I will shine!

Our topic gives you time to reflect on the amazing person you have become! Create a timeline of the key events in your life (it would be great to see some photos!) or write a biography all about you!

History

Find out all about the history of theatre and entertainment. Choose a time period and produce a poster/leaflet/PowerPoint to tell us all about it! I recommend the Romans, Greeks or Tudors!

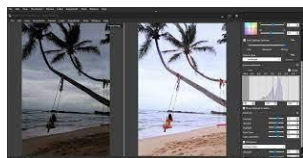

Languages from around the world

Learn how to say 'Hello', 'Goodbye' and introduce yourself in a different language or different languages.

You will share your new learning with your class.

Art – digital art

We will be looking at photo editing software. Take a photo of yourself or something that is important to you and have a go at editing it! Try out some different effects to see what creates the most interesting photo! You could use software such as Picasa or photo editing software on a tablet.

Value – Teamwork

Explore the value of teamwork. You could find out about a famous or not-so-famous team, finding out how they help or support people, or succeed in what they do. You could create a poster to demonstrate the qualities needed for good teamwork. Alternatively, any other idea you have to show the value of teamwork – together we achieve more

Music

Find out more about your favourite band/artist. Why are they your favourite? How did they first begin their career in music? Which of their songs is your favourite? Produce a biography/leaflet/poster/PowerPoint all about them!

DT – Textiles

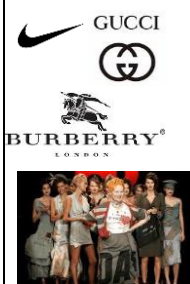

Practise your sewing skills at home! Can you try and include all of the stitches we will be learning about at school?

- Cross stitch
- Running stitch
- Back stitch
- Blanket stitch
- Whip stitch

Please ask if you would like to borrow some sewing resources!

DT- Textiles

We will be learning all about a famous costume designer. Find out about another famous fashion designer/brand. Create a biography/poster/PowerPoint/ leaflet to tell us all about them!

I will shine!

This is your last term at St John's before you take the next exciting step and move on to secondary school! Find out more about your new school and create a fact file. Can you find out the name of the headteacher? Do they have a motto? What sports/extra-curricular clubs do they have? Which lessons are you most looking forward to?

Try to complete at least 3 challenges so that you make a vertical, horizontal, or diagonal line, or any three that you like! Try to include the middle square if you can. Colour in each square as you complete that activity.

To be completed no later than Monday 8th July when we will celebrate and share all your projects.

You are welcome to bring in your home learning earlier if you have completed it.

Enjoy and have fun! Year 6 Team – Miss Ward and Mrs Davis
