Why Parents Choose St John's for Their Children

At St John's, we pride ourselves on being a warm, inclusive, and respectful community where every child is supported to reach their full potential. Our high expectations for both learning and behaviour inspire children to thrive academically, socially, and emotionally.

Don't just take our word for it. Here's what our parents have to say:

"St John's is a very caring and nurturing environment. My child feels safe and truly enjoys coming to school. The values are strong and shine through everything that happens."

"Communication is excellent. Staff go above and beyond to support my children in every aspect of their learning."

"It's a caring and welcoming community. The teachers genuinely care about the children they teach."

"St John's is a wonderful school. The staff's love for the children is clear. They treat each child as an individual and it shows."

"You clearly care—and it's demonstrated in so many ways!"
